

Q76

1. Reddito di cittadinanza: destinatari
2. integrazione socio sanitaria
3. This edition, we widen our focus even further, to examine the bigger picture purpose of social work as a profession. Put simply, what is the actual point of social work? WHY do we do what we do? Although we all spend significant amounts of time during our studies pondering the question, “What is social work?” reflecting on it after you have spent time clarifying your individual purpose will enable you to put the two together and uncover how to use your purpose to contribute to the purpose of social work.
4. Quale di questi non è un software per videoconferenze?
