1. Servizio di primo livello. Un esempio
2. Il pronto intervento sociale per le situazioni di emergenza personali e familiari nella L.R. 6/06

3.

5. Break Away From Screen Time.

When engaging in online courses, there may be hundreds of hours of required screen time, whether attending a live class via Zoom, WebEx, or other video meeting platform; reading digital textbooks; or navigating learning modules. As a result, when you take breaks, ensure that you break away from screen time. In other words, break away from your tablet, phone, laptop, and other digital tools. Instead, engage in a non-digital activity, such as going outside, cooking a meal, tapping into your artistic side by painting or drawing, or even spending time with loved ones.
