

Q108

1. Come si può rilevare un bisogno non manifestato dalla domanda espressa
2. Quali possono essere gli interventi per prevenire il maltrattamento all'infanzia.
3.

That is the case at the MSW program at WKU, which now has diverse faculty and stresses NASW's Standards and Code of Ethics as part of the curriculum. One of the core courses in the program is cultural competency, which emphasizes what's happening on a macro level nationally and internationally. The new program was constructed to be "culturally sensitive and responsive" according to NASW standards, says Starks. "It's very critical that all students are given a Code of Ethics and NASW Standards and that these are built into the curriculum. One of the core courses of the MSW program is cultural competency. We try to monitor tough issues, in part through role-playing and experiential learning."
