aprire 2018

This topographic map illustrates the study area, featuring contour lines that indicate the terrain's elevation. The map includes several buildings and structures, as well as a proposed road alignment highlighted in green. The alignment starts near a building complex on the left, curves upwards, and then turns right, following the contour lines. A dashed green line indicates the proposed road's path, while a solid green line shows the existing road or boundary. The map also shows a road network and a small parking area with a car icon.
