

Q54

1. L.328/2000 art.13 Carta dei servizi sociali
2. Codice deontologico: autodeterminazione
3. Next, begin to develop a marketing plan. You can download this from The New Social Worker's Web site at <http://www.socialworker.com/marketingplan.doc> . It'll also be important for you to have a budget, to figure out how much you'll need to spend and how much you'll need to earn to cover your expenses and support yourself, too. Many social workers overlook the idea that one part of being in private practice is the necessity of being a good boss to yourself. If your budget shows that you cannot earn enough to give yourself some vacation or other time off, then it probably is not the time for you to enter private practice.
