

Q19

1. integrazione socio sanitaria
2. il servizio sociale professionale e il segretariato sociale nella L.R. 6/06
3. Although you cannot engage in assignments until the official start date of the semester, take advantage of the opportunity to learn how to navigate your online learning site. For example, how do you upload assignments, see your grades, and navigate learning modules? Learning management systems often have multiple training videos, guides, and troubleshooting tips for students accessible through a “Help” button in the course. Here are a few links with examples of student tutorials:

Canvas — https://community.canvaslms.com/t5/Canvas-Student/ct-p/canvas_student

Blackboard — <https://help.blackboard.com/Learn/Student>

Moodle — https://docs.moodle.org/20/en/Student_tutorials

4. A cosa serve il wifi?
